- As a GTBR Member/ Site Owner please consider the following guidance in your nominations:
 - Safety statistics for companies
 - Incident Rates
 - Safety Culture
 - Overall Safety Performance

The companies nominated should be reflect the front-runners of safety performance in 2023 at your site

- We understand that this application must be delivered by the nominating Company representative, not by the individual contractor, to the GTBR office by **April 1, 2025**.
- Also, accompanying the application submittal, the “2025 GTBR Contractor Safety Survey” (found on GTBR website) must be completed and submitted along verification that the nominated Contractor is a current member of the GTBR with membership dues paid for the program year 2025. (one for each nominated company)

All questions concerning this recommendation should be directed to:

“Facility Company contact name”.

Sincerely,
